NÜTRUM

Health and Wellness Supplements

Our Full Product Line

Prostate

Stay masculine and have healthy urinary function and testosterone levels. This product fights male aging and promotes male hormone balance, while regulating normal cell vitality. It also inhibits abnormal cell growth for a healthier prostate.

\$95 each

NMN+ NAD

The king of cell repair, anti-aging, and immunity. NMN was discovered by a professor at Harvard and recognized by scientists the world over. It adds NR and pterostilbene to increase anti-aging effects. It has also been recognized by eight Nobel laureates.

\$240 each

Brain Booster

Energy drinks on the market contain damaging agents harmful to the body. This product is powered by natural food ingredients, which helps improve memory, concentration levels, and enhances brain energy. It also helps fight stress and fatigue.

\$169.99 each

Estrolife

Helps menopausal night sweats, mood swings, and all kinds of menopausal symptoms. The product may delay menopause and delay female functional aging. Go through menopause smoothly, maintain intimacy, and preserve your beauty.

\$380 each

Liver

Detox and liver cleanse, while preventing acne, sun spots and bad breath. Drinking and smoking damages the liver, and interferes with the metabolism of fat and toxins. This product contains vitamins and phytonutrients to repair the liver.

\$179 each

Curcureal

A highly effective immune enhancer activating natural killer (NK) cells and (T) cells to attack abnormal cells, and blocks carcinogens. It reduces the discomfort and improves the side effects of chemotherapy. It also enhances cell repair and protection.

\$415 each

NÜTRUM

Health and Wellness Supplements

The perfect blend of Eastern medicine and Western science.

Blood Pressure

The high content of plant antioxidants in this product can reduce vascular oxidative damage, so arteries maintain healthy blood pressure, and prevent cholesterol accumulation, thereby improving blood flow throughout the body.

\$105.99 each

Blood Sugar

Stabilized blood sugar is the protector of the kidneys. Helps enhance comprehensive blood sugar management and boost pancreatic function with the right minerals and plant nutrients. This product promotes a good metabolism.
